

Contributor Covenant Code of Conduct

Our Pledge

We as members and contributors pledge to make participation in our community a harassment-free experience for everyone, regardless of age, body size, visible or invisible disability, ethnicity, sex characteristics, gender identity and expression, level of experience, education, socio-economic status, nationality, personal appearance, race, caste, color, religion, or sexual identity and orientation.

We pledge to act and interact in ways that contribute to an open, welcoming, diverse, inclusive, and healthy community.

Our Standards

Examples of behavior that contributes to a positive environment for our community include:

- * Demonstrating empathy and kindness toward other people
- * Being respectful of differing opinions, viewpoints, and experiences
- * Giving and gracefully accepting constructive feedback
- * Accepting responsibility and apologizing to those affected by our mistakes, and learning from the experience
- * Focusing on what is best not just for us as individuals, but for the overall community

Examples of unacceptable behavior include:

- * The use of sexualized language or imagery, and sexual attention or advances of any kind
- * Trolling, insulting or derogatory comments, and personal or political attacks
- * Public or private harassment
- * Publishing others' private information, such as a physical or email address, without their explicit permission
- * Other conduct which could reasonably be considered inappropriate in a professional setting

Enforcement Responsibilities

Members are responsible for clarifying and enforcing our standards of acceptable behavior and will take appropriate and fair corrective action in response to any behavior that they deem inappropriate, threatening, offensive, or harmful.

Members have the right and responsibility to remove, edit, or reject comments, commits, code, issues, and other contributions that are not aligned to this Code of Conduct, and will communicate reasons for moderation decisions when appropriate.

Scope

This Code of Conduct applies within all community spaces, and also applies when an individual is officially representing the community in public spaces.

Decisions

Both members of the team have to agree for a decision to go through.

Attendance

Meet up for class times as often as you can. Outside of class meetings may become official and come with the same rulings. You can miss class for important personal matters or sickness. If you miss a meeting, please work at least one hour from home.

Assignments

Assignments will be made with both members agreeing. Poorly or undone assignments will get the offender reprimanded.

Participation

Contact will be done through email and/or text. Using said contact information, we will communicate our plans for participation, alongside discussing our strengths and weaknesses to make sure we can best separate our work.

Meeting Times and Locations

Meeting times and locations will be discussed beforehand with the usual being through discord or zoom.

Agenda and Notes

We will swap off every meeting so that we evenly spread the work.

Promptness

The expectation will be that members meet on time, and lateness will have the late member do the notes, and have to do an hour of work once the meeting is over.

Conversational Courtesies

Try to make sure that ideas are heard by all members and shared by all members before trying to come to a conclusion.

Enforcement

Instances of abusive, harassing, or otherwise unacceptable behavior may be reported to the other member responsible for enforcement.

All complaints will be reviewed and investigated promptly and fairly.

All members are obligated to respect the privacy and security of the reporter of any incident.

Enforcement Guidelines

Member will follow these Community Impact Guidelines in determining the consequences for any action they deem in violation of this Code of Conduct:

1. Correction

Community Impact: Use of inappropriate language or other behavior deemed unprofessional or unwelcome in the community.

Consequence: A private, written warning from members, providing clarity around the nature of the violation and an explanation of why the behavior was inappropriate. A public apology may be requested.

2. Warning

Community Impact: A violation through a single incident or series of actions.

Consequence: A warning with consequences for continued behavior. No interaction with the people involved, including unsolicited interaction with those enforcing the Code of Conduct, for a specified period of time. This includes avoiding interactions in community spaces. Violating these terms may lead to a permanent ban.

3. Permanent Ban

Community Impact: Demonstrating a pattern of violation of community standards, including sustained inappropriate behavior, harassment of an individual, or aggression toward or disparagement of classes of individuals.

Consequence: A permanent ban from any sort of public interaction within the Community.
